AFTER SCHOOL ACTIVITIES FOR CY-FAIR KIDS

Written by Cynthia Schlosser

It's not hard to find fun-filled activities for kids in Cypress, but the challenge is narrowing down exactly what to do. Some schools offer incentives if more than one member of the family take classes, free trial classes, or a free t-shirt with registration. Cypress mom Angie Edwards, whose two daughters take tumbling classes at Cypress Gymnastics Academy, says, "I think it's a great way for the kids to have exercise, socialize, and achieve the team building experience at an early age." However you choose to occupy your kids in their free time, Cy-Fair has a ton of great options to choose from!

Youth football leagues prepare kids for junior high and high school play

Volleyball clubs allow for play all year long

Karate keeps kids in shape and teaches them discipline

The whole family cheers for their favorite little league team
