

SUMMER FUN

# SUMMER CAMP SNEAK PEAK

*Day Camps and Activities  
for Your Cy-Fair Cutie*

Written by Kelli Cataline

Many Cy-Fair area country clubs offer  
golf and tennis camps over the summer

**T**he lazy days of summer aren't so lazy anymore. With day camps for artists, athletes, and everything in between, kids these days are almost as busy during the summer as they are during the school year, and kids and parents alike love it. "Summer camps are a great way to break up the monotony of structureless days during the summer for my boys. They get to have fun and I get a break!" says Jill Pugh, mother of three.

### **CY-FAIR SUMMER CAMPS**

Day camps give kids a chance to try something new and make new friends in a safe setting. They also allow them to learn more about a favorite hobby or develop a new one. Grand Oaks Farm offers horseback riding lessons, while "Science Adventures" at Saint Aidan's lets kids explore the world of robotics and physics. Whether you choose a week of adventure at Bear Creek United Methodist or a summer of fun at the YMCA, your child is sure to make memories that last long after summer is gone.

Most summer camps have already started their registration process, so it's important to act fast and sign your kids up now. See our list of camps on the following pages to find a camp perfect for your Cy-Fair Cutie.
